Bill Harkins  
Harkins Development Corporation  
3525 W. Lake Mary Blvd., Suite 306  
Lake Mary, FL 32746

Dear Bill:

We have now been in our new office for approximately one week, and I certainly want to thank you and your staff for working so diligently with us to bring this project to completion. I think that I can speak for all of my partners when I say that the final product is everything that we had hoped for.

I would especially like to commend you on your choice of Todd Sharp as our project manager. Todd was a pleasure to deal with throughout the building process. He listened to all of our concerns and did everything within his means to bring us a finished product that would please all of the doctors and our staff. Todd is a true gentleman to work with and certainly a man of his word. When Todd told us that he would get it done, we felt certain that the issue would be dealt with appropriately and completed in a timely manner. As you know, there were multiple stumbling blocks throughout the building process, but Todd handled every one efficiently and professionally.

Thank you once again for working with us and completing this renovation project. Please express our sincere thanks to Todd for a job well done. It is people like Todd who give the Harkins Development team a wonderful reputation.

Sincerely,

Brian L. Cameron, M.D.  
for General and Vascular Surgical Associates, P.A.
